

POWERED STAIR CLIMBER

ZW7170G

DESCRIPTION

With capacity of up to 170Kg, ZW7170G will allow you to transfer awkward cargo up and down stairs with just a single operator. It can carry printers, home appliances, furnitures and other goods without any effort. It can help you save huge labour costs.

Solid tyres with brake, Intensive Aluminum alloy frame, simple touch button control and rechargeable battery, make it to be our best-selling product in Europe.
